"Wow! Just wanted to pass along what a great job Wilmar did for us here at Whole Food Market, Brookside in KC. Not only does our rotisserie oven look brand-spanking new, I am sure it's even going to operate better! He took extra time to give me some pointers and suggestions for our future cleaning endeavors and I so appreciate it. What a pleasure to work with! Outstanding employee! I'll take him!"

Elizabeth Thurston – Associate Store Team Leader – Whole Foods Kansas City, MO
